Michele,

I forwarded your email to Ken Harris' assistant. She will send out a meeting update with a conference call in number to all the regular attendees with Bakersfield as the host. People are welcome to come in person or call in for the meeting.

Thanks,

Janel

Hi Janel,

Just to follow up on this note, I spoke with John Borkovich this morning and Water Board folks are amenable to making the meeting on June 21 from 3-5 pm the regular monthly meeting. Since its nearby, Clay Rogers would be able to attend in person.

Please keep us posted on this. Thanks!

Michele

Subject: Proposed AE meeting on June 21- combine with regular June 16 monthly meeting?

Hi Janel,

We were discussing the meeting proposed by Ken Harris for 3-5 pm on June 21 in Bakersfield, and the suggestion from EPA Region 9 is that this meeting be combined with the regular monthly UIC meeting for the month of June. The monthly meeting is presently scheduled for

June 16, but if Ken is going to be in Bakersfield, and since Mike Montgomery will also be there, perhaps the meeting can take place on the 21st during this time slot? Would you kindly run this by DOGGR HQ and Water Board folks and let us know? There would need to be a conference line arranged for the folks that are not going to be in Bakersfield.

Thanks, Michele
